

NBDL History

This booklet has been prepared to help establish The Norwalk British Dart League (NBDL) as an active, viable league, operating in conformity and under the guidelines of The American Darts Organization (ADO).

Founded in August of 1990, The NBDL applied for sanctioned league membership in the ADO, and was accepted. At that time the league was without any funds for working capital until the Polish American Club of Norwalk, CT, offered to help sponsor our league and paid our ADO dues for the first two seasons.

The writer was appointed ADO regional representative by regional director, Ms. Angela Bossick, area V5.

The original league consisted of the following four sponsors, hosting a total of six teams:

The Polish American Club (2)
Main Entrance Cafe (2)
The Lighthouse Restaurant (1)
Nugget Cafe (1)

These same sponsors created “Dart walk-in Tournaments” on Sunday, Tuesday, and Thursday nights. The NBDL appreciates the original support given to us by these sponsors and supports these events.

The Board of Directors (BOD) was selected from candidates representing the original sponsors, and serves the league gratuitously.
